The #3 seed Casa Roble Rams took on the #6 seed Merced Bears on Friday, November 15th. This quarterfinal playoff matchup was Casa's 4th home playoff in the last 3 years. The Rams took a commanding 14-0 lead in the first quarter led by touchdowns from Junior Dylan Overstreet and Senior Austin Gandy. Senior Alex Stelmaszczyk took a screen pass from the 40 yard line for a touchdown to make the score 20-6 at halftime.

Coming out of the half, it was all Merced. The Bears scored 25 unanswered points in the second half. The final score was 38-28. Mason Brown led the defense with 15+ tackles and Brad Rankin finished the game with 3.5 sacks. Rankin broke the school record with 18 sacks. Thank you to everyone who supported Casa Roble football this season. Without your support, the success of the program could not be achieved.

## Fishing Time

"Fishin Time"

Hello everyone

Hope this finds everyone well and happy. The trout and Salmon fishing on Folsom Lake has really been good the past couple weeks. I got a chance to bring a friend along and he spooned a dandy King Salmon while we were spooning for bass in the south fork. The very large fish was close to 5 lbs. and really put up a good fight. We took a photo and turned him loose for another day. Trout have been being caught with small worms on a drop shot

in about 50 feet and most are in the 15" range and are in really nice shape. I'm sure with the cooler weather the trollers are gonna start getting them pretty good also. The lakes falling fast and will soon be on a 5mph so the skiers and wakeboarders will be very disappointed to hear that. Next is Lake Camanche for some large mouth fishing. I'm sure everyone has changed their smoke detector batteries and installed a carbon monoxide detector by now as here comes mr. winter and with that we all turn on the heater.

Have fun and stay safe!

FEATURING TONY MARTINEZ, CASH PHOPHETS, &  
Special Appearances by Shawn Cahoon, Billy Hood and Zach Kincaid

ORANGEVALE ORANGE 5807 WALNUT AVE, ORANGEVALE  
<https://christmasforacause.eventbrite.com>

Come kick up your heels to some good old fashioned Country Music with an Outlaw edge. Tony Martinez, The Cash Prophets, Shawn Cahoon, Billy Hood, and Zach Kincaid take the stage to celebrate Country Music in all it's forms. All ages welcome. General Admission \$15, Seniors \$ 10, and kids under 17 years old are free. Games, raffle, auction, food, alcoholic and non alcoholic beverages for sale. This event benefits our dear friend Tyais Dickson and her fight with cancer. Tickets at the door \$25.

Tony Martinez was born to be on stage. He started honing his musical chops as a toddler, while his family traveled with his dad's western band and chuckwagon show. Tony relentlessly practiced his

craft and by a young age, he emerged on the Phoenix scene as a virtuosic multi-instrumentalist with a powerful voice and even bigger personality. Originally from Colorado Springs, Tony has now made a name for himself in Phoenix, Arizona, Nashville, Tennessee, and many towns in between while touring with artists like Whitey Morgan & The 78's, Cody Jinks, Jake Owen and others. He has proven to be an invaluable talent not only on stage, but as a studio musician and producer. Although he has an uncanny musical memory and a natural ability to make every band sound their best, he shines brightest when in the spotlight. Everyone should experience the Tony Martinez experience. He's been categorized as classic country, outlaw country, honky-tonk, and classic rock, but Tony's writing and delivery are uncategorizable, his sound is truly one of a kind. Tony Martinez is... Everybody's Buddy!

As people exit, they are able to drop off donations which are collected and transported to the food bank for distribution each week. This is a very important part of keeping the food bank in operation.

# IGNITING ORANGEVALE COMMUNITY BY STRENGTHENING LOCAL BUSINESSES

The Orangevale Chamber desires to be a **CONVENER** of local leaders, a **CATALYST** for business growth, and a **CHAMPION** for a stronger community!

## Honorary Mayor 2019-2020 Julie King

After over five years of not having an Orangevale Honorary Mayor, we are excited to announce the winner of our 2019-2020 race. Julie King, owner of The Last Tangle Salon, raised nearly \$4,000 for the Orangevale-Fair Oaks Food Bank and will hold the title now through next October. At the Orangevale Harvest Dinner held last weekend, the winner was announced with hundreds of people in attendance. Between the two mayoral candidates Julie King and Jeff Chaix, they raised over \$5,000 for their respective charities - food bank and Operation Good To Go, an organization supporting homeless veterans.

Looking ahead to 2020, one of Julie's big goals is to re-launch the Chamber's Junior Honorary Mayor race that was previously in place. And of course, she will be looking forward to helping two NEW candidates with their campaigns starting in May for the next 2020-2021 Orangevale Honorary Mayor.

## Celebrating 2019 Chamber Wins

As we wind down a great year, I am thankful to our community for stepping up to help re-energize the

Chamber President  
Brad Squires

Chamber. We kicked off the year with our "Restore the Eyesore" campaign to renovate the run-down corner of Hazel & Greenback. We've held a networking mixer each month with 50-75 members attending to connect and grow their business and our community. We launched the Orangevale Community Council because we believe that a community gets stronger when its leaders are connected. The new Orangevale History Project is meeting monthly to gather & share our community story (next meeting is 11/14). The GLOVE initiative was reignited to bring together commercial property owners with the goal of collectively improving our business corridor. The commUNITY that we're seeing grow in Orangevale is something we haven't seen in a long time. Now is a great time to get involved in your community or launch a new business in Orangevale. We are expecting great things in 2020...

## Looking Ahead to 2020

The Orangevale Chamber is positioned well for an even better 2020! We will continue our monthly happy hour

mixers, and we're looking to incorporate Workshop Wednesdays to provide educational opportunities to advance business leaders' skills & impact. We will be holding quarterly business walks and invite all of our members to join us (next one is 12/13). Because we've seen such a rise in new members, we will begin to hold new member orientations quarterly (next one is 11/20). In January, we will hold a Community Open House for anyone in the area to learn about how to get more involved in our local clubs. We're looking to hold a Kids Business Expo in the spring which we expect to be amazing! Our annual Pow Wow Days Orangevale Town Fair is set for May 29-31, and we will be kicking it off again with our new Farm to Fair Dinner!

We are experiencing a great energy and buzz in Orangevale as we continue on our mission to GROW ORANGEVALE, focusing on growing community, building on our small farms, and growing local businesses. As a reminder, new organizations that sign up as a member in 2019 will not be billed again until January 2021 for annual renewal. Now is a GOOD time to live and work in Orangevale. And 2020 is a great year for you and your business to get more involved in the community!

This month we'll be reading "IQ" by Joe Ide. The LAPD is barely keeping up with murders and missing children in one of LA's toughest neighborhoods, so one resident has taken it upon himself to use his blistering intellect to solve these crimes. # Orangevale Cooks

by Suzanne Feblowitz

It's that time of year again! Report cards are due and I have been busy, so I checked my files and in 2014 at this same time of year, Jan Sutton shared this recipe for apple cake. This recipe was one of her favorite during apple season. It is very moist, stays fresh for a long time and it freezes well.

We are always looking for new recipes, so if you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.  
Apple Cake

- 3 cups flour
- 2 cups sugar
- 1/2 teaspoon salt
- 3 teaspoons baking powder

- 4 eggs
- 2 1/2 teaspoons vanilla
- 1 cup oil
- 1/2 cup orange juice
- 6 or more apples
- 5 tablespoons sugar
- 2 teaspoons cinnamon

Combine flour, 2 cups sugar, salt, baking powder, eggs, vanilla, oil, and orange juice; beat until blended. Peel and slice apples. Grease and flour bunt or angel food pan. Mix the 5 tablespoons of sugar and the cinnamon together in a small bowl. Pour 1/2 of batter into pan and cover with 1/2 of apples, then sprinkle with 1/2 of mixture of cinnamon and sugar. Repeat with remaining batter and then apples and then the cinnamon/sugar mixture. Bake at 350 degrees for 2 hours. (Check for doneness before this.) Let remain in pan at least 1 hour before removing.

**ADOPTION  
FEE WAIVED!!**

Name: Diamond

Age: 12 years old

Breed: Chihuahua mix

Sex: Neutered male

Adoption Fee: Sponsored by a loving fan!

The term "sweet little senior" fits Diamond to a T! This 14lb toothless fella is as happy-go-lucky as they come. Don't let his age fool you, he still enjoys brisk walks and will even give you a happy zoomie when he is excited. Diamond has lived with dogs in the past and might even do well with cats. Volunteers report he was an angel during bath time and just wants someone to love.

Sacramento SPCA  
6201 Florin Perkins Rd, Sacramento,**

Are you feeding a stray? Not planned. It just happened. It's happened to all of us. Now you're faced with a vet bill to get kitty fixed so it doesn't reproduce. But it's not your cat! But you know there are way too many kitties out there and you don't want your stray to add to the problem.

Good news! Fluff Buddies has a spay/neuter program. No proof of low income required. Just stop by one of our adoptions events. (Every Saturday and Sunday from noon to 4 p.m. at the Fair Oaks Petco which is located on Madison, at Hazel, in the Raley's Shopping Center.)

We would be glad to issue you a voucher or two that is good for two months. The participating vets are in Roseville (less than five miles away from central Orangevale.)

We also loan out traps at no charge if kitty is skittish about being placed in a carrier. (Help with transport MAY be available.)

Hope to see you soon! And thank you for caring enough to feed an abandoned animal.

If you're like me, you've driven by this business many, many times, and may not have known exactly what it was. Auto parts? Auto detailer? Not sure? Me either, so I decided to stop in to find out and this is what I learned!

True Blue Auto Care, located at 8964 Greenback Lane, across the street from Walmart, came on the scene nearly 10 years ago in 2010, when owner Saj Zoghet, seized an opportunity to buy the auto repair and maintenance shop.

"It was serendipitous," Saj recalled. "I was in the high-tech business for 16 years and got laid off. This shop became available around the same time, so I bought it."

Saj, a Casa Roble High School alumni, was warm and welcoming, we sat down to begin the interview and I quickly noticed two things. First, his love for history with World War 2 memorabilia on the walls, which we both agreed was fought by those from the greatest generation. And second, his love for family which was apparent by all his pictures proudly displayed.

From the start, Saj's plan was to open the shop, get it running and then return to his life of climbing the corporate ladder. Once he got going, what he discovered was something he wasn't expecting -- that he didn't want to go back to his old job. That he truly enjoyed his new business interacting with customers and filling a void of customer service that he felt was missing from the auto repair industry.

"I love being able to do my own thing," said Saj. "And this opportunity allowed me the freedom to do that."

With the help of his right hand man and Shop Manager Jeff Valtman, a seasoned auto repair mechanic for over 30 years, Saj found that they could provide a new and improved way of doing business, unlike the "old school" way of auto repair he described as "rough around the edges," where customers are not listened to, but are at the mercy of repair shop.

That's the exact opposite of what Saj hopes customers will find when they come to True Blue.

"We focus on doing work with honesty, integrity and treating the customer with the highest level of respect," said Saj. "We want everyone to leave having peace of mind and confidence
