SERVING ORANGEVALE, CITRUS HEIGHTS, FAIR OAKS, FOLSOM AND SURROUNDING AREAS

JOIN THE FOOD BANK AND FARM AT THREE UPCOMING EVENTS

Thanks to a generous \$250,000 grant from Republic Services and Rebuilding Together Sacramento, join us to participate in and experience an exciting transformation at the Orangevale-Fair Oaks Food Bank and Farm!

The grant will provide a new farmstand, picnic benches, a covered area for the freezer and an awning for shade, children's educational displays, and two new vibrant murals to better serve our community.

“Republic Services and Rebuilding Together

Sacramento were looking for a big outside project that they could really put a quarter million dollars of money into, some sort of outdoor space. They were looking for a park initially, learned about our farm at the food bank, and came out and visited. Loved it. So now we're in this project and just wrapping it up now,” says Brad Squires, CEO of the Orangevale-Fair Oaks Community Foundation.

Learn how to get involved and celebrate at three upcoming events.

September 29: Open House

CASA ROBLE TRIUMPHS IN THE COWBELL CLASSIC

Casa Roble Triumphs in the Cowbell Classic Amidst Scorching September Heat

By Tim Engle

On the evening of September 6, Casa Roble and Bella Vista faced off once again in the third annual Cowbell Classic, a rivalry that always brings high energy and excitement to the field. This year, after a five-year hiatus, the two teams battled under the intense conditions of an early September heatwave, with temperatures much higher than usual for this time of year.

Bella Vista came out strong, taking an early lead with a quick score, but Casa Roble held their ground. Despite being plagued by injuries, which left many key players sidelined, Casa Roble's younger and less experienced athletes seized their opportunity to step up. They showed impressive grit and determination, sticking to the game plan and refusing to get rattled by the intense atmosphere or the adversity they faced on the field.

The game saw turnovers on both sides, keeping fans on edge throughout. However, Casa

Roble's offensive and defensive lines dominated the latter half of the game. Their ground game, which had been grinding away at Bella Vista's defense, ultimately wore them down. By the end of the fourth quarter, Casa Roble had firmly taken control, securing a hard-fought 22-14 victory.

This year's Bella Vista squad proved to be one of the strongest in recent memory, making it a closely contested game. But Casa Roble's ability to stay composed and execute, even in the face of a heatwave and missing players, was the deciding factor. The Cowbell Classic lived up to its reputation, once again delivering a thrilling chapter in the rivalry between these two schools.

Casa Roble's season record is 1 - 1, which includes a first game loss to Placer. Next up, Casa plays at home vs Twelve Bridges on September 13. JV Starts at 5 pm and Varsity kicks off at 7 pm. Tickets must be purchased at gofan.co The game will also be streamed on Orangevale Live Facebook and YouTube. Go Rams!

ANNOUNCEMENTS

ANDREW F. EFFINGER JR. 1924-2024

It is with great sorrow that we announce the passing of a longtime Orangevale resident, Andrew F. Effinger Jr. age 99, who died peacefully on June 5, 2024 at his home on Walnut Ave with family by his side. Andrew was born December 16, 1924 in Manayunk, Pennsylvania to Andrew & Dorothy Effinger. He was the second oldest of seven children and is survived only by his youngest brother, John. At the age of 16 his life would change in a way he would never have imagined. At that time he worked delivering fruit to the homes of people in the Philadelphia area. One day in

place and at the age of 17 with the permission of his parents, he enlisted in the US Coast Guard where he served in convoy duty in the Atlantic and Caribbean as a Gunners Mate Third Class. Throughout WWII he carried a picture of Naida in his wallet and they continued to write to one another without ever meeting until his transfer to the Alameda Station and then the Pacific Theater of Operations in 1943. Upon his Honorable Discharge in 1946, he said goodbye to his family in Pennsylvania and moved to Orangevale. On April 3rd 1948 Andrew & Naida were mar-

ried at the historic St. John's Catholic Church in Folsom. The newlyweds lived in Ukiah for a year or two while Andrew worked for the State of California as a surveyor for the new Hwy 101. However, to be closer to Naida's parents, Andrew took a job with Sacramento County, Dept of Public Works in 1949, where through self education he advanced to be a Supervising Construction Inspector for roads and bridges for 36 years that included the Hazel Ave Bridge and the Greenback Lane overcrossing of Hwy 80. He and Naida built their home next

door to Naida's parents where they lived for 76 years, raising three sons, Lawrence and Paul, (deceased) and Michael. In April 2023 they celebrated their 75th Wedding Anniversary. Sadly, Naida passed away in December 2023 at the age of 98. Andrew was a 58 year member of the Elks Lodge, a member of the American Legion and was very active in the Scouting Program, seeing his three sons achieve Eagle Scout. He was a longtime parishioner of St John's and Divine Savior Catholic Church. He loved the outdoors, fishing and reading to better educate himself on all kinds of topics. Andrew is survived by his son Michael, daughter-in-law Kathryn and step-grandson Cole Mayjoffo.

A Mass will be held at 10:30 AM Wednesday September 18, 2024 at Divine Savior Catholic Church, 9079 Greenback Lane, Orangevale followed by a celebration of life at the church hall, concluding with interment at the Sylvan Cemetery in Citrus Heights, CA. Relatives, friends and family are welcome to attend.

WILLIAM "BILL" MARK TANNER June 16, 1954 – August 29, 2024

Bill went to be with the Lord after a short battle with cancer on August 29, 2024 with his family and pastor by his side. He was born in Lexington, Kentucky to James Oroville Tanner and Anna Juanita May. He grew up in Lexington before joining the Army for ten years. Bill made his way to California where he met the love of his life, Debbie. The two were married in 1996 and lived a life together in Orangevale, CA. To the very end, Bill's life was defined by loving God and serving others.

He is survived by his wife, Debbie; his children Daniel, Tammy, and Laurie (Doug); his brother, Jim; his grandchildren, Lucas, Audriana, Liam, Jackson, and Mackenzie; and his in laws, Judy, Raulin, Linda, Linda, and Rick. He was preceded in death by his father, mother, his two brothers, Danny and Bob, and his sister-in-law Linda.

A Celebration of Life will be held at 2:00 PM on September 28, 2024 at Redeemer Covenant Church in Orangevale.

ANDREW AND NAIDA 1948

August 1941 while opening a box of Plums, he noticed that someone named Naida Stevenson from Orangevale, California had written her name and address on the box divider of those plums seeking a pen pal. Naida grew up in Orangevale after moving there as a child and worked packing fruit for Sol Warhaftig, whose packing shed and home were on the corner of Chestnut and Central Avenues. Andrew responded to her letter starting a seven year courtship between them. In less than a year later, the attack on Pearl Harbor took

ried at the historic St. John's Catholic Church in Folsom. The newlyweds lived in Ukiah for a year or two while Andrew worked for the State of California as a surveyor for the new Hwy 101. However, to be closer to Naida's parents, Andrew took a job with Sacramento County, Dept of Public Works in 1949, where through self education he advanced to be a Supervising Construction Inspector for roads and bridges for 36 years that included the Hazel Ave Bridge and the Greenback Lane overcrossing of Hwy 80. ANNOUNCEMENTS

KEN SULLIVAN JR
1932-2024

The Sullivan Family would like to announce the passing of their patriarch Kenneth E. Sullivan Jr. on August 18th 2024 at the age of 92 in Galt CA. Ken was born in Yreka Ca. and spent

his younger years living for a time in the tented logging camps of northern California where his father logged, his mother lived and his grandmother cooked for the crews on wood burning stoves. The family moved to Land Park in the City of Sacramento during World War 2. He was a Navy veteran that served on the aircraft carrier Midway in the early 1950's as an air traffic controller as it patrolled the seas of the world. He married shortly after coming home and began a family. Ken as many in our family and others worked for Aerojet in the 1960's and 70's. They participated and earned their livings in the industry of the 'Race for Space'. He later graduated from Mc George School of Law, became an accomplished trial attorney and opened a law of-

office for a time in Orangevale with his wife Diana where he lived for 45 years. He had a special connection to Orangevale with its rural roots as his great grandfather Daniel Webster Sullivan owned orange orchards when the town was Orange Vale Colony.

Ken is preceded in death by his wife Diana and is survived by many children, grandchildren and great grandchildren who will greatly miss him. As a student of literature and a great orator, he was happy to engage in conversation about everything from history and the constitution to old school hot rods and motorcycles. He loved large family gatherings and bbq's and would want all who knew him to honor him with fond memories.... Farewell Dad!

Darin Neil Mayo breezed into this world October 13, 1973. He was the youngest of four sons born to his parents, Neil and Joan Mayo in Roseville. His brothers Dale, David, and Daryl helped shape him into the person we all knew. Darin loved baseball, dogs (especially Andy), camping, and spending time with friends. Darin was known as a social butterfly; he made friends everywhere he went. Life with Darin has never been boring. Everyone who knew him has interesting stories to tell.

DARIN NEIL
1973-2024

Darin's son, Tyler, was born in 1992, and in 1996 Darin realized he needed to do something different to make a better life for him and his son. He joined the U.S. Army as a Multiple Launch Rocket Systems Specialist. This is where I, Amanda, met Darin. In 1998, Darin and I got married in Lawton, Oklahoma. In April 2000, we welcomed our daughter, Tanna, into the world.

In 2001, we moved from Oklahoma to California, and that fall Darin began working for the U.S. Postal Service in Orangevale. While Darin appreciated his job, he did not live to work. He enjoyed softball, bowling, golfing, and fishing with his many friends and brother David. Darin loved his friends and extended family and was always happy to offer a word of advice or let people borrow his tools, movies, or a

bit of cash. He was very generous. Even if he hadn't seen you in years, Darin would interact with you like he saw you last week. Darin was a wonderful friend.

In September 2022, Darin was diagnosed with renal cell carcinoma which had metastasized to his spine. He endured four spine surgeries, several rounds of radiation, a procedure to correct damage to his vocal cord, and numerous changes in medications. He worked rigorously to regain use of his hands after the second surgery. Darin kept a positive attitude and fought every day to defeat this cancer, even though he knew the odds were stacked against him. He fought with every ounce of his being until he simply couldn't do any more on the night of August 21, 2024.

Darin was preceded in death by his father, Neil Frederick Mayo and his brother, Dale Scott Mayo.

MEET OUR NEW ORANGEVALE-FAIR OAKS FOOD BANK FARM MANAGER

The Orangevale-Fair Oaks Food Bank Farm proudly welcomes its new Farm Manager, Lacey Yuke!

Lacey has been growing vegetables her whole life, but around 15 years ago, she developed a love of bees. She planted flowers, created pollinator gardens, and started a Save the Bees initiative.

Lacey was studying biology in college and decided to transition to agriculture as her passion grew. She learned about internship opportunities in teaching facilities where she could combine caring for the land with making communities healthier and stronger.

Lacey has worked at farms as small as a one-acre production to as large as 1,000 acres. She had been in for-profit agriculture production, which involved a lot of technical aspects.

While Lacey looks back fondly on those experiences and all she learned, she was looking for a new place to call home at the community level.

"Many cities are disconnected from where food comes from because farms are outside the cities," said Lacey. "Farming began as small spaces that would serve the surrounding community. I would like to see a shift back towards that like the Orangevale-Fair Oaks Food Bank Farm is doing."

Ninety percent of the farm's produce goes to the Food Bank, which served more than 30,000 people in 2023. The farm's produce also goes to the veggie box subscription program from May through November.

In her new role, Lacey manages the farm's day-to-day operations, volunteers, farm camp program, events, and more. One of her favorite things is sharing her farming knowledge and teaching!

Meet Lacey at one of the Food Bank Farm's upcoming events! Sign up to be one of 70 volunteers at our Fall Day of Service on Saturday, September 28 from 8 AM – 12:30 PM. Or join us at an Open House on Sunday, September 29 from 4 – 7 PM for an evening of food, drinks, and community.

My husband was looking for a recipe using ground pork and he found a recipe using the Instant Pot. This recipe is the perfect weeknight recipe! It is a dish that was brought to India by the Portuguese, and the recipe was adapted using local ingredients and spices. It is very delicious!

We would love some new recipes, so if you have any recipes, please send them to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email address in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name

Ground Pork Vindaloo with Mini Potatoes

- 2 TBSP oil
- ½ tsp cumin seeds
- ½ tsp mustard seeds
- 1 onion, diced
- ½ to 1 serrano pepper
- 1 lb. ground pork
- 1 TBSP garlic, minced
- 2 tsp ginger, minced
- 2 tsp paprika
- 1 tsp salt
- 1 tsp coriander
- ¼ tsp black pepper, ground
- ¼ tsp cayenne pepper
- 2 TBSP vinegar, white or apple cider
- ½ cup water
- 8 small gold potatoes, approx. 1 pound
- Or 15 little potatoes, approx. 1 pound
- Fresh Cilantro garnish, optional

Directions with Instant Pot:

1. Press the sauté button, add oil and allow it a minute to heat up. Add the cumin and mustard seeds. Once the cumin seeds brown, add the onions and Serrano pepper. Stir-fry for 5-6 minutes, or until the onions begin to brown.
2. Add the ground meat, garlic and ginger and cook until the meat is mostly browned.
3. Add the spices, give everything a good mix, then add the vinegar, water and potatoes.
4. Secure the lid, close the pressure valve and cook for 10 minutes at high pressure.
5. Quick release pressure.
6. Garnish with cilantro if desired and serve. (It is great with a green salad.)

ORANGEVALE FARM & GARDEN CLUB STARTS NEW GARDEN YEAR

Attention all gardeners and aspiring gardeners! The Orangevale Farm & Garden Club has started a new gardening year. We meet September through June on the first Saturday of the month at 9:00 am, at the Orangevale Grange Hall located at 5807 Walnut Avenue in Orangevale. Gardeners from all areas are invited to join us as members or guests for informative speakers, field trips, and sharing a love of gardening with each other and the community.

On September 7th, Orangevale Farm & Garden Club meeting attendees learned from Lacey Yuke, Manager of the Orangevale-Fair Oaks Food Bank Farm, how to transition our summer gardens to

get ready for the fall and winter. She also discussed what to plant and gave an update on the latest news from the Farm. In addition, we did a seed starting activity for our upcoming Plant Sale Fundraiser.

On October 5th, instead of a meeting, from 8am to 12pm we will have our Fall Plant Sale Fundraiser at the Orangevale Grange - 5807 Walnut Avenue, Orangevale. Come pick up starts for your fall vegetable garden, perennials, succulents, and boutique items all at great prices for a great cause! Mark your calendar and bring a friend! Follow our Facebook Page ("Orangevale Farm & Garden Club"), our Instagram Feed (@orangevale-farmandgarden), or become a member to stay updated on all the latest information!

THE IMPORTANCE OF REGULAR OIL CHANGES

The #1 question people ask us is "How do I make my car last?"

The best way to get longevity from your vehicle is to do Regular maintenance.

This would include ~

- **Regular oil changes. We recommend every six months or 5,000 miles, whichever comes first.
- ** Manufacturer recommended maintenance.
- ** Having your vehicle inspected regularly so you know the health of your vehicle's systems.

At Moore's Garage we help you get the vehicle performance and longevity you are expecting. With every oil change we perform a digital inspection, rotate your tires and inform you of recommended maintenance. This knowledge allows you to plan for maintenance and keep your vehicle in tip top shape.

MOESZINGER FAMILY

By Kay Barnes and Teri Schuessler

three bedrooms on the upper story with a sleeping porch the full length at each end. This would allow for the evening breeze to come through either side of the house. The bottom story is the kitchen and living area with the bathroom added later.

Will married Aris Mabel (Gibbons) approximately 1921 and had seven children. Four daughters and three sons. All the children settled in the area. The sons Phillip, at 18 years of age, owned a hardware store in Folsom, Robert became a firefighter and retired as a Chief in Citrus Heights and Eugene had his family home on Beech about two blocks from his childhood home. The Gibbon Family, a prominent Carmichael family known for their successful dairy farming, referred to the Moeszingers as the "poor folks." The Gibbons' roots trace back to Plymouth Rock.

In the side yard is a hole where the water pump was. It is suspected if dug up, antiques might be found among the garbage that filled it in. The house now sits on one acre with a huge yard, grape arbors, vegetable garden, many trees (one with one of the largest trunks ever seen), and a swimming pool. Originally, the pool was dug by the teenage boys and their friends, filled with irrigation ditch water, and enjoyed. It was later upgraded to a beautiful pool.

I am going to California, William "Will" Moeszinger Jr shouted to his workmates in Delaware, Pennsylvania. His parents William Sr and Elizaeth B (Weckerly) Moeszinger sent a letter asking him to join them in Orangevale after their cousin, Phillip, gave them a Tract of land in the Orangevale Colony approximately 1910. He had two tracts and wanted to share. The address of the tract is 8834 Central Avenue. It was at the corner of Beech Avenue and Central Avenue

At the time of obtaining the property William Frantz and Elizabeth had two minor children with them in the Sacramento area. Their ancestors came from Austria and registered as Moeszinger but for some reason later the family changed their name for two generations to Massinger before going back to their original name. Their three older daughters stayed in Philadelphia, Pennsylvania. No family member knows where they were living at the time. They planned to build a home on the property, but it had not been built when William Sr died in 1915. The farm had orange groves, grapes, olive trees, cattle, pigs, and a dairy cow. Will worked at on the gold dredger at Negro Bar.

According to the family around 1918, the home arrived as a package and had a difficult time getting through the Lincoln Cut from Folsom because of the length of the boards. It had come on a wagon. It was thought it might have been a Sears home, but no Sears stamps can be found on the wood. The house has a basement with one wall of river rock which serves as a partial wall above ground on the west side, making unique. It is a two story with

The boys were also active in the Boy Scout program. In reviewing the Folsom Telegraph, they names appear with many of the activities. The grandchildren recall wonderful memories of Christmas in their grandparents' home and all being together. Grandmother Moeszinger would take the grandchildren to the Methodist Church on Central Avenue before it moved across the street and then they attended Christ the King Church on Walnut Avenue. Robert's children had a gate to go back and forth to grandparents, but as young children were often scared at the gate by the large cattle in the yard.

In addition to working the farm successfully, they provided a volunteer fire department garage. It is a cement block building which still exists today. The engine was parked there from 1942 - 1952. Their grandson Lance shared the story that a line was built from the garage to a station in Citrus Heights. Wilma Gum shared in her biography that when their family needed a telephone, she was sent to use the one at Moeszinger which was just down

AN EPIC NIGHT AT THE CASA RAMS 3RD ANNUAL HOMETOWN RALLY!

By MaryAnne Povey

The Casa Rams Hometown Rally was nothing short of epic! The community showed up in full force to support the Rams as they geared up for the first home game of the season. The turnout was bigger and better than ever, with a sea of people stretching from the back of the Dairy Queen parking lot all the way to the sidewalk. It was an awesome sight to see, and it's clear that our hometown spirit is alive and well.

A big thank you to Dairy Queen Grill & Chill for hosting another fantastic community event, and a

special shout-out to our top sponsor, Tonno's Sports Bar & Grill. We also want to acknowledge Easy Stumps for proudly displaying the giant American flag, creating a truly patriotic moment for all. The Casa Jr ROTC cadets presented the colors with pride, while Casa Team mom Candace Dickey moved the crowd with her beautiful rendition of the National Anthem.

Emcee's for the night MaryAnne Povey and Brian Rasler of OV Live helped rally the crowd by introducing the cheer and football coaches who recognized the cheerleaders and football team. The cheer captains tossed footballs, bracelets, glow sticks to the excited crowd. The evening wrapped up a spirited performance of the Haka by the Casa Varsity Team before everyone headed home to rest before the big game

on Friday against Placer.

A huge thank you goes out to event coordinator Jenn Gustafson for another fantastic season kickoff rally and to all the other sponsors for their support including: Pappas Pools, Dez Corwin, Lyon Realty, OV Copy and Print, All Events Management Group, OV Ponyball, Professional Property Management, Jan's Lounge, Poidmore Orthodontics, BzB Fencing, Matter Realty Group, Moore's Garage, JD Rodli Construction, Orangevale Team Council, OV Live, and Palmer Real Estate, for their generous support.

Stay tuned for what's to be another exciting season of football! Go Rams!

Casa Girl's Flag Football Off to a Great Start!

A new wave of excitement is sweeping across high school athletics as girl's flag football rapidly gains popularity and enthusiasm. What was once a rare sight on the field is now becoming a movement, with more and more girls eagerly joining the sport.

"The passion and energy surrounding these games are undeniable," said Head Coach Horner, "It's a blast to see the girls learn and improve each week. It's not just addicting to the players but to the fans too." Girl's flag football is drawing

in fans and creating a new chapter in local athletics. The Casa Rams are at the forefront of this surge, with their team showing incredible momentum as they make their mark on the field. Under the leadership of Coaches Chris Horner and

Mike Jones, the Casa Rams girl's flag football team kicked off their season in spectacular fashion, securing a 13 - 12 victory in their season opener against Placer. The excitement was felt both on and off the field, with fans rallying behind the team.

While the second game was canceled due to extreme heat, it will be rescheduled, so stay tuned for more action. Congratulations to the Casa Rams girls' flag football team for their outstanding start! Go Rams! Submitted by Maryanne Povey

Remembering 9/11, Connect and Serve on the National Day of Service

*Author's note: The following is a near reprint of the first submission I made to a local newspaper. Published around September 11, 2021, it was a reflective call to unity, forgiveness and compassion following the long months of 2020 and 2021. The same message applies almost as keenly today, as national sentiments come full circle from one presidential election the next. There are changes in the final paragraphs, adding a 2024 perspective.

Remembering September 11, 2001. A day that could be remembered solely for the tragedy and disbelief we experienced together as a nation, yet so individually through our television screens, over and over again as the images replayed. Yet, there were also helpers that day, those who brought unity, love and even song on the Capital steps in the wake of the billowing dust, ash and loss. There were the helpers.

Born out of the tragedy of Sept. 11, David Paine and others made a decision. A decision on what they would remember and what they would do. They decided who they would be and who they would become because of that day.

"We wanted to make sure the terrorists didn't have the last word in forever defining for generations how America would remember and observe 9/11," said Paine, co-founder of MyGoodDeed and the 9/11 National Day of Service and Remembrance. "We wanted instead to honor the victims and those who rose in service by keeping alive the spirit of unity and service that arose in the immediate aftermath of the September 11 attacks."

Upon the 10th anniversary of the attacks, MyGoodDeed joined with other national service organizations to organize what was then considered to be the largest day of charitable service in U.S. history, with more than 30 million Americans participating.

In 2021 that initiative to do good in the face of tragedy continues in our own communities in various forms of charitable service, including volunteering,

donations to charities, and simple good deeds. A hero is the one who sees a need, and fills it for their neighbor. Just because it needed to be done. Just to serve.

Nelson Mandela stated "Sometimes, it falls upon a generation to be great. You can be that great generation. Let your greatness blossom." This generation, this one right now, right here in Orangevale, Fair Oaks, Citrus Heights, Folsom, Antelope, Sacramento. This is the generation that can bloom right out of the challenges wrought in 2020 and into 2021. That can bloom even through political discourse and differences. As we unite, build, rebuild and rebuild again to heal, lift and serve – together.

There are many ways to remember the firefighters lost in the rescue efforts when the South Tower of the Trade Center collapsed. There are many ways to remember the national discourse and experiences of the last four years. For Jay Winuk, he remembers his younger brother Glenn, who lost his life under the rubble of the South Tower, by how he answered the call to help. Each one of us, in our own communities can answer a similar call, committing again to respond softly and consistently until collectively hearts are softened, needs are filled, and what has been divided is reconciled. Even if it's inconvenient. Even if it requires forgiveness. Especially if it requires forgiveness. To bring unity and healing by seeing and serving one another.

Let us be those who remember and see the collective difficulties of the past four years with an eye of understanding. Let remembrance of the times we have been lifted inspire us to lift another.

This September, in honor of those first responders on 9/11 and in remembrance of those first responders in our personal lives, find someone or some organizations to serve, to love or to forgive. Now is the time.

Sacramento Public Library's Adult Literacy program celebrates 40 years during National Adult Education and Family Literacy Week

Celebration culminates with Career Online High School Graduation on September 19

This year marks the 40th anniversary of Sacramento Public Library's Adult Literacy program. Since 1984, the library has offered free literacy tutoring for adults helping more than 5,000 learners.

"The library is here to support you in building a strong foundation for continued growth, at any age—there's no upper limit," said Adult Learning and Literacy Supervisor Casandra Keitges. "We'll meet you where you're at and learn about your personal goals. What's important to you is important to us."

According to the National Coalition for Literacy, adults who participate in adult education programs have higher incomes, resulting in more spending and higher tax revenue for their community. They have better health outcomes and have higher participation in civic activities like voting.

Last year, 153 literacy volunteers tutored 214 adults. The library's free program offers one-on-one personalized tutoring for Sacramento County residents at least 18 years old. The program is flexible, with sessions scheduled on days and times best for each learner, including evenings and weekends.

"I started with the [library's] literacy program five years ago. My goal was to read my mail, read a newspaper, and read books. I didn't even know how to use a computer, but I know now," said adult learner Patricia Davis. "The literacy program helped and encouraged me to get my high school diploma. My goals have changed because I have more confidence in myself."

During Adult Education and Family Literacy Week, the library will celebrate another milestone—the tenth anniversary of its Career Online High School (COHS) program. Over the past year, 40 adults completed their studies earning their high school diplomas. Fifteen adults will participate in this year's graduation ceremony on September 21 at the Tsakopoulos Library Galleria.

Since 2014, the library has provided free access to the program through a partnership with Smart Horizons and California State Library. COHS has helped 290 graduates prepare for the workforce. More than 80% of graduates continue to higher education. Students can earn an accredited high school diploma and an entry-level career certificate in ten career paths including Child Care and Education, Food and Hospitality, Home Care Professional, Manufacturing, Office Management, and Security Professional
