STUBBORN RODS MAKES A SPLASH WITH CASA ROBLE HIGH SCHOOL FISHING TEAM

Photo: Forrest Mackey, the owner of Stubborn Rods and Wyatt Kidwell

The Casa Roble High School Fishing Team just got a major boost, thanks to the generosity of Stubborn Rods. The company donated custom fishing rods for every member of the team, as well as sleek, personalized jerseys designed for fishing tournaments. These jerseys proudly display each student's last name and the team's name, "Casa Roble Fishing Team," on the back—bringing both style and unity to the group.

The sponsorship came about when team member Wyatt Kidwell took the initiative to approach Forrest Mackey, the owner of Stubborn Rods, at the Sportsman Expo held at Cal Expo. Wyatt's enthusiasm and passion for his team inspired Mackey, who decided to go all in and sponsor the entire Casa Roble Fishing Team. This heartfelt support from Stubborn Rods isn't just about gear; it's about building a sense of pride and encouragement for young anglers pursuing their passion. A big thank-you goes out to Forrest Mackey and Stubborn Rods for helping empower these students as they cast their way to success in future tournaments!

This is the FOVLL 50/70 Mets team on Sunday, March 23rd, enjoying an exhilarating fly over by the Blue Angels after they beat Rosemont Little league 10-7.

ANNOUNCEMENTS

Dear Editor,

I am reaching out to share some important information about the American River Alano. (ARA) We are a non-profit 501c3 charitable organization dedicated to helping individuals turn their lives around. Every day, we welcome hundreds of individuals to the 12 Step meetings at our meeting hall, 9346 Greenback Lane, Unit 9 & 10. These individuals are seeking to overcome their addictions, whether it be drugs, alcohol, eating disorders, or codependency. They are striving for a way of life, free from addiction. They come from broken lives. Their families have given up on them. They have suffered financially due to their addictions. Many are unemployed or unemployable. While they are extremely grateful for the support and resources provided by ARA, their finances are very limited. This is where we need your help. To continue providing a safe and supportive environment for these men and women, we rely on membership and donations to cover our expenses and keep group rents low.

We are seeking donations and, even better, committed memberships to ensure that our doors remain open for the next person in need of help. Your support can make a significant difference in the lives of these individuals and contribute to healing in our community.

Please take a moment to visit our website at www.americanriveralano.org to learn more about our organization and consider supporting our mission. If you would like to discuss how you can help your community further, please feel free to call me, Kevin, at 916 247 7326. Your generosity and support would be a true act of love and compassion.

Thank you for considering this request and for your commitment to making a positive impact in the lives of others.

ORANGEVALE FIRE DEPARTMENT (1950 – 1955)

By Peggy Ginther

As we learned earlier, fire-fighting services from the late 1800s to the early 1950s came with many challenges and advances. The Orangevale volunteers often served for the Citrus Heights Fire District, so they merged around 1945. Their story continues here.

When a fire alarm came in, it would be dispatched to 1 of 9 stations, using 20 signal numbers. The signal number corresponded with the route the trucks would take to get to the fire. Their general information booklet had street names listed alphabetically and referenced 1 of 5 hand-drawn maps that were used to navigate to the fire's location.

February 1950 - Citrus Heights was the county's largest fire district, which included 7 fire stations and was one of only two fire districts that employed women as firefighters. More than 12 square miles were added to the district, including the area around the site of Folsom Dam. It was mostly farmland, and there were no plans to open an additional fire station, so all calls for that area were answered by the station in Orangevale.

December 1950 – The Citrus Heights Fire Department received the first unit of its new three-way radio system to keep in touch with fire trucks, the station, and the sheriff's office - call letters: KM-B-514.

1951 - In the 40's, the Ladies Auxiliary was formed to help supplement the volunteer firemen who had day jobs, and during the war years, they were important to the community. Especially concerning during that time were grass fires. The Auxiliary was disbanded, however, the nationally known "Ladies in White" Rescue Squad was formed, primarily to handle first aid calls, but some members were from the Ladies Auxiliary, and their duties were expanded to include firefighting too.

1953 – The Citrus Heights Fire District built a new fire station to replace the original Orangevale station. The new station was located east of Hazel Avenue at Greenback Lane and Pecan Avenue.

Arson was suspected to be the cause of some 30 fires in Orangevale for the first half of the year, resulting in damage to crops and property. The normal seasonal rate of fires in Orangevale could run as high as 50. The next months would confirm those arson suspicions.

September 15, 1953 – Fire gutted the Orangevale Community Clubhouse. Ten firefighting rigs from Citrus Heights, Orangevale, and Folsom battled the blaze for four hours before bringing it under control. The building had recently been deeded over to the Orangevale Grange, which had plans to tear it down and build a new modern structure. At that time, it was speculated that the fire may have been started by defective wiring.

December 9, 1953 – The old, abandoned Roberts School was destroyed in a spectacular blaze and a member of the Orangevale branch of the Citrus Heights Fire Department, 17-year-old Richard (Dicky) Baker, a junior member of the fire department, confessed to setting the fire. He also admitted to setting about 50 other fires in Orangevale, along with several other boys. They had been drinking wine and setting the fires for the excitement of fighting them. H. L. Benedict, who lived across from the school, had seen someone with a flashlight around the school, and they drove away in a 1946 Hudson car. Only two Hudson's were in the Orangevale area, so the primary suspect was quickly found. The Hudson was Dicky's dad's. Dicky was one of the first to arrive on the scene driving his pickup truck. Dicky was also first to report the fire of the Orangevale Community Clubhouse and an 800-acre fire near Baldwin Dam, both were suspected of being arson. He was turned over to juvenile court and held in county jail hall in lieu of \$2,000 bail.

1954 – The correct number to call when reporting a fire in Orangevale was Yukon 5-2432. In July, the Citrus Heights Fire Department fought the year's largest fire – over 400 acres of pasture-

land. Orangevale, Folsom, and Fair Oaks were also called into action to fight the wind-fed flames by the bluff bordering Greenback Lane and threatening homes on Oak Avenue and Burma Road. Passing motorists aided in driving a herd of cattle across Oak Avenue. It took many hours to get the flames under control, but praise ran high as there were no injuries and no structures lost. The cause of the fire was determined to be a discarded cigarette thrown by a passing motorist on Greenback Lane.

March 1955 – 3 year old Robert Wayne "Bobby" Martin wandered off from his home on Hazel Avenue and was reported missing. After firemen searched for over an hour, they were approached by a youngster who wanted to know what they were doing. And who was the youngster? Bobby, of course.

June 1955 – A grass fire whipped by high winds raced towards the Redwood Motel on Main Avenue in Orangevale. The wind was so strong that it looked like one of the fire trucks was going to get stuck in the field. Boys of all ages helped the firemen by beating at the flames with their jackets. The mothers of those boys were not happy with their choice of firefighting equipment.

LOOKING FOR NEW ARTIFACTS

The Orangevale History Museum at 6920 Hazel Avenue displays Orangevale history. Over the last couple of years archival treasures have been collected. As a reminder the museum is always wanting new artifacts. If you are doing spring cleaning here is a specific idea for some of the types of material the museum is looking to collect, preserve, and display. The archivist, Teena Stern, over-

arching premise is "What was it like to live, work, and play here?" T

To help illustrate life in Orangevale, the museum is looking to gather ephemeral artifacts such as: menus, matchbook covers, tickets, posters, advertisements, local maps, signs, membership cards, programs, pamphlets, and other such printed matter. Ephemera is vintage printed matter not generally created to be permanent. In addition, we are looking for period toys, games, and magazines. If you have any "good stuff" to donate, please come by the museum Tuesday, Thursday or Saturday 12:00-4:00. Or call the museum on 916 800-4711.

The Orangevale History Project meets the first Wednesday of the month at the Orangevale Library at 6 pm. The next meeting is May 7th with a presentation, When Orangevale was Beachfront Property by Mark Aring. Be sure and watch Orangevale History YouTube channel with the monthly presentations and interviews of community residents.

Reading Silly Possibilities

Readings of two lists (published in OV View) were recently recorded and can now be listened to. Silly Possibilities for a Silly Person

and More Silly Possibilities for a Silly Person are the names of these two that have audio versions.

With humor, they encourage creative writing.

They're about silliness and how it can be delighting. They're also for those who like wordplay (with rhyming) and for fans of comedic improvising.

CELEBRATING 15 YEARS OF MEALS

I walk into our church fellowship hall, and am greeted with the smell of spaghetti, garlic bread, and fresh baked brownies. My mouth starts watering. I sit down at a table with a handful of others and am greeted warmly. It is good to see my friends round the table.

This is my experience most Tuesdays at Redeemer Covenant. Every Tuesday our church, Redeemer Covenant, offers a FREE hot meal to our community. Everyone is welcome. We have people who are unhoused, and we have people with nice houses and cars, and everyone in between.

Our heart is that this meal would fill bel-

lies and help people connect around the table. People need connection and community. There is nothing like making friends as you slurp down spaghetti together.

Two months ago we celebrated 15 years of meals! We estimate that our church has fed 52,000 people over this time. The ministry started with a small group of people who

desired to serve our community in deep ways. We have found this to be particularly meaningful due to the lack of social services in our immediate community. Our church is not alone in this, there are currently three churches that provide hot meals to our community: Divine Savior on Tuesdays, and First Baptist on Wednesdays. It is a blessing to be part of a community that cares.

I would like to invite you into this work. If you would like to help serve, please contact our church rc@redeemercov.com.

One of everyone's favorite desserts is Pineapple Upside-Down Cake. National Pineapple Upside-down Cake Day is April 20th this year. This week I am sharing a recipe that I received from Vallerie Whitehorn who is a retired guest teacher and an instructional assistant at Ottomon Elementary. She used to bring this delicious cake to the events at our own children's school at Coleman Elementary. When I started working with her at Ottomon, she generously shared the recipe with me. She knew it by heart because she has been making this cake for years. So, to get ready for Pineapple Upside Down Cake Day or just a yummy dessert, try this delicious recipe!

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

VALLERIE'S PINEAPPLE UPSIDE-DOWN CAKE

Yellow Cake Mix
Eggs – (amount called for on cake mix box)
Vegetable oil- (amount called for on cake mix box)
1 can (20oz)- Canned Pineapple rings, drained, juice reserved
1 cup brown sugar, packed
¾ stick of butter (6 tablespoons)

Maraschino cherries without stems, cut in half

Heat oven to 350 degrees Prepare cake batter by following directions on the box except use the reserved juice instead of the water. You may need to add water to this to reach the amount needed; set batter aside.

Place butter in an empty pan. Put pan in oven to melt butter.

This should take a few minutes. Vallerie uses a cast iron skillet approximately 11 inches diameter.

You can use a large cake pan or even a 13x9 pan.

When butter is melted, take pan out of oven. Evenly distribute brown sugar in pan. Place pineapple rings on top of brown sugar in a nice arrangement, you may need to cut some rings to fit the pan.

Put cherries in the center of the rings, round side down. Gently pour cake batter over the pineapple. Spread evenly.

Bake for the amount of time specified on the box or until a toothpick comes out clean. Remove from oven and wait 10 minutes, then run a knife around the edges of the pan and then place cake plate securely over top of cake (Be sure cake plate is larger than the pan!) Very carefully flip the cake over and carefully lift pan off.

TADA! Enjoy!

Orangevale Chamber: Spring Events, Community Partnerships & Business Resources
Spring is here, and that means we're getting ready for one of Orangevale's favorite traditions—the return of the Orangevale Farmers Market! Each Thursday evening from May through October, our community gathers to enjoy local vendors, live music, great food, and the ever-popular OV Chamber Beer & Wine Tent.

Anthony Garcia President, Orangevale Chamber of Commerce

We're proud to say this event has become more than a market—it's a meeting place, a stage for small business, and a vibrant space for community connection. And to keep the good times going, we're looking for Chamber partners to help us deliver another successful season at the Beer & Wine Tent.

This is a great opportunity to showcase your business while supporting a beloved local event. Whether you want to get hands-on behind the bar, sponsor live entertainment, or just be part of the scene, we want to talk to you! We also have sponsorship opportunities with great outreach that run for 27 weeks. Space is limited and the deadline to commit

is coming soon, so don't wait. Please email me directly at president@orangevalechamber.com to get more info!

We're also excited to invite you to our Quarterly Business Development Workshop coming up on April 22 at 10:30 AM at the Orangevale Library (8820 Greenback Lane). This free session will focus on how to launch and run a Cottage Food Business in Sacramento County. You'll also learn about powerful, free library resources that can help your business thrive. Whether you're just starting out or looking to grow, this is a great chance to connect with local experts and fellow entrepreneurs. A few more quick updates:

- We're currently looking for a contractor to help with a few office re-

pairs. If you or someone you know is available, please contact me at the email above.

- And looking ahead: The Big Day of Service returns on May 17 with over 60 volunteer projects planned throughout our neighborhoods.

Spring is the perfect time to get involved. Whether you join us at the Farmers Market, attend a workshop, volunteer at a food drive, or help us repair a wall or two—we're grateful for your support in making Orangevale a place we're all proud to call home. Let's make this season our best yet. Anthony Garcia President, Orangevale Chamber of Commerce

Helen (A880083) – A 5-year-old female gray and white Pit Bull Terrier. Helen arrived at the shelter after her owner passed away. She's a gentle and loving girl who deserves another chance at a forever home

Jett (A880155) – A 2-year-old male white and black Alaskan Husky and Alaskan Malamute. This handsome boy enjoys playgroups and would love an active home, especially one with a canine companion

Hubble (A881066) – A 4-year-old male tan and black Belgian Malinois and German Shepherd Dog. Hubble is calmer than many dogs of his breed and enjoys affection over treats. He walks well on leash and has done well in playgroups, making him a great potential companion

Grigory (A878349) – A 7-year-old male black and tan German Shepherd Dog. With his long fur and calm, well-mannered personality, Grigory looks like a stuffed animal come to life. He enjoys playgroups and may do well with another dog in the home

Miss Muffet (A880165) – A 2-year-old female gray Pit Bull Terrier. This affectionate sweetheart recently went on a Barks & Rec outing, where she impressed with her friendly demeanor, love of grass rolls, and quick learning. She enjoys treats, kisses, and could be a great addition to a loving family!

Bailee (A877264) – A 1-year-old female black and tan German Shepherd Dog and Siberian Husky. Bailee is playful, social, and has done well in playgroups. She'd love an adopter who understands her breeds and can give her an active lifestyle.

Visit BradshawShelter.net to see all available dogs and see who you fall in love with or visit the shelter at 3839 Bradshaw Rd.!

Name: Fernie
Animal ID: 37502983
Breed: Domestic Shorthair
Gender: Spayed Female
Age: 7 years
Adoption Fee: Sponsored!

Fernie is 10 pounds and 7 years old. She's a gentle and sweet girl who loves relaxing on her favorite shelf. Once she knows you're her friend, she absolutely loves pets and being brushed. Fernie will lean into pets while we give her love.

Fernie's Adoption has been sponsored by Sam's Person! (That means someone generously covered the Adoption fee.)

I lived with cats in my previous home but may be selective with your cat. A slow introduction would be in order.

I don't have a history with dogs, but may do well with them with a slow introduction.

I have no known history with kids, but may do well with them with a slow introduction.

If you are interested in this specific animal, please come to the shelter for walk-in adoptions Tuesday through Saturday from 10:30am to 5:30pm. We recommend coming in as early as possible, as adoptions are first-come, first-served. Sacramento SPCA
